Prayer For Your Local Church

Kind and loving God,
I pray for our church
For our children and young adults,
That they may also grow in wisdom and love
For those facing welcome and unwelcome changes,
That they may meet them with hope
For those who are weak of heart or body,
That they may find strength in you and help from us
For those with burdens,
That their load may be lightened by grace and our support
For those who are old and frail,
That they may be sustained by faith and our care
For those who have joy in their lives,
That they may thank you and share it with our church
In Christ's name, whose name we take too often for granted.

Amen
