Society for Classical Retreat Guides

This organization was founded by Rev. Arvel Steece for the purpose of perpetuating Classical Retreats. In addition to the Quiet Day before the Annual Meeting, a Classical Retreat has been held each year in Massachusetts. Rev. Martha Swanson is the President of this organization, Rev. Charles Packer is the Vice President. Many members of NACCC churches have benefitted from the work of this Society.

Spiritual Life Ministries

The purpose of this organization is to nurture, enhance, and grow the spiritual life of member churches and individuals in those member churches of the NACCC. This division encourages prayer initiatives, Bible study, enhanced worship, and other spiritual disciplines through the dissemination of resources, Spiritual Life Retreats (other than Classical Retreats), and the training of spiritual guides and retreat leaders.
