## Stewardship Advisors

Stewardship Advisors develops educational, Christ-centered resources to challenge, equip and motivate God's people to become better stewards. Founded by Ron and Phyllis Chewning, Stewardship Advisors has served a thousand or more churches since 1997. Through Stewardship Builders (year-round education materials), annual stewardship programs, Bible studies, small group studies and devotions, Stewardship Advisors helps God's people grow in their understanding of Christian stewardship as a way of life that honors Christ and leads to greater commitment, involvement and generosity.

**Congregational Resource Guide**  
*Resources for Congregations*

The Congregational Resource Guide draws on the expertise of the Alban Institute, the Indianapolis Center for Congregations, and other specialists. While an outstanding variety of resources regarding congregational life and ministry are listed on their website, particular access to materials pertaining to "Stewardship" may be found by clicking on these homepage links: "Administration: Stewardship" and "Specialized Ministry: Faith and Money." (May we also say that, once you view the website, you will likely find yourselves returning to access further resources on "congregational vitality," "worship," "spirituality," "leadership," "public ministry" and a host of others.)

## New Consecration Sunday Program

**New Consecration Sunday** approaches financing the ministries of your congregation by teaching stewardship from a spiritual perspective rather than a fundraising perspective. It focuses on the question, "What is God calling me to do?" rather than, "What does the church need in order to pay its bills?" The **New Consecration Sunday Stewardship Program** has helped thousands of congregations increase financial giving by 15% to 30%. The revised edition features a CD-ROM that includes the audio overview of the program as well as a PowerPoint presentation and editable letters and communication tools. How-to instructions are based on the author's conversations with thousands of clergy, stewardship team leaders, and guest leaders.

## Resources Services Incorporated

Research Services Incorporated was chosen by the NACCC three years ago to help guide our current *Branching Out* campaign. RSI was founded in 1972 as America's first company devoted to meeting the fundraising needs of Christian churches and organizations. RSI's Biblically-based stewardship programs help churches reach their financial goals and grow in spiritual maturity at the same time. Two programs in particular focus on local church stewardship drives and education:

*Ignite...* a Pastor/Staff led process that builds lay leadership's understanding of and commitment to the church's stewardship vision, and

*Revealed...* a 30-day educational program for children, youth and adults that helps congregations develop a culture of stewardship regarding time, talents and treasure.
