

November 9—11th, 2010  
The NACCC Missionary Society  
visits ECHO,  
Educational Concerns for Hunger Organization  
located in Ft Myers, FL

Welcome to ECHO Farms

Composting for roof tops

Seed bank—sent all over the world

Rice field experiment—flooded field vs non flooded field. Non flooded field produces over 100% more rice.

Interns research new ideas

A well and irrigation system made from common materials
