Looking for a quiet place and time to reflect on God and His Word with no telephone, no hi-tech communication items, no scheduled duties, no one requesting your attention or assistance? Are you interested in a few quiet hours with just your heart waiting patiently on God's? Then CCP (Congregational Christian Partnerships) has an offer that just might be what you're looking for. It would be CCP's pleasure to sponsor a Quiet Renewal Day for you, your Church, your clergy and Church workers.

An integral feature of a Quiet Renewal Day includes three short devotionals so Retreatants can focus on a particular Bible text while each experiences quiet personal communion with God.

CCP suggests that a Quiet Renewal Day begin with breakfast and fellowship at 8:30 a.m. and ending the Quiet hours at 3:30 p.m., allowing time for Retreatants to share as they feel led of God before departure.

If you are interested in learning more about attending, hosting, or leading a Quiet Renewal Day for your Church, then please contact CCP (Congregational Christian Partnership) leaders: Rev. Dr. Lori Wiley ([pastorucp@gmail.com](mailto:pastorucp@gmail.com), 603-494-7020); or Helen Cunningham ([hc6645@gmail.com](mailto:hc6645@gmail.com), 603-560-6645).

Please make copies of this page and distribute throughout your Church to individuals.
